PROFILE

Enthusiastic Software Developer with expertise in full-stack web development, specializing in React, Node.js, Express, SQL, and MongoDB. Proficient in designing and developing scalable, user-centric applications with a strong foundation in Data Structures and Algorithms. Currently pursuing MCA from MANIT, Bhopal, with a keen interest in collaborative teamwork, innovation, and delivering high-quality software solutions.

EDUCATION

Maulana Azad National Institute Of Technology
Master Of Computer Application

Bhopal , Madhya Pradesh
Aug 2023- May 2026

Christian Eminent Collage
Bachelor Of Computer Application

Indore , Madhya Pradesh
june 2020 Year- May 2023

TECHNICAL SKILLS

Programming Languages: Java, JavaScript,

Web Technologies : HTML, CSS , JScript, React.js, Node.js, Express.js.

Tools: VSCode, Git, Github, Postman.

Specialized Areas: : Data Structures and Algorithms, Object Oriented Programming, Database Management System, Operating System

PROJECT

CAR RENTAL

- * Developed a comprehensive **Car Rental Management System** to streamline vehicle booking, customer management, and inventory tracking. .
- * **Implemented key features** including user authentication, real-time vehicle availability, dynamic pricing, and secure payment gateways.
- * **Utilized [mention 2-3 specific technologies, e.g., React.js for frontend, Node.js for backend, MongoDB for database]** to build a robust and scalable web application.
- * Successfully automated key rental processes, leading to a Quantifiable metrics, such as reduction in operational overhead or increase in online bookings, help track progress and measure success. Enhanced customer satisfaction by providing a seamless booking experience and improved data accuracy for reporting and decision-making.
- * **Improved customer satisfaction** through a user-friendly interface and efficient service delivery.

ACHIVEMENT

- * • Strengthened problem-solving skills in Data Structures and Algorithms by solving question on LeetCode and GeeksforGeeks
- * • 1st Position in Inter Hostel Volleyball Competition.
